Поздравление Congratulation

В случае чьего-либо дня рождения, если он, конечно, вообще отмечается, принято приглашать именинника выпить. В Англии не принято, чтобы именинник сам устраивал прием.

В Великобритании по правилам хорошего тона вручение подарка не должно сопровождаться какими-либо громкими заявлениями. Если, например, поводом является день рождения, то подарок вручается в завернутом виде со словами **Happy Bithday!** или **Manny happy returns of the day!** Лицо, получившее подарок, тут же разворачивает сверток, хвалит подарок и благодарит гостя. Цветы также вручаются в магазинной упаковке

UNIT 5

ПУТЕШЕСТВИЕ TRAVELLING

Как вы, наверное, знаете, в Великобритании, Ирландии и Австралии движение левостороннее. Даже самые опытные автомобилисты западноевропейских стран, приезжая на своем автомобиле в Англию, благоразумно оставляют его на стоянке в порту и далее передвигаются с помощью общественного транспорта. Наверное, поэтому на британских дорогах вы не встретите машин с иностранными номерами.

Что же касается пешеходов, то и здесь надо привыкать смотреть сначала направо, а потом налево.

Спрашиваем дорогу Ask for directions

Покажите, пожалуйста, дорогу на...	Please, show me the road to ...
Сколько миль до ...	How many miles are to...?
Куда ведет эта дорога?	Where does this road go to?
Куда вы идете (едете)?	Where are you going to?

На таможне At customs

В международных аэропортах уже давно существуют так называемые «зеленый таможенные коридоры» - где есть надпись NOTHING TO DECLARE. Практически все прибывающие, не проходя таможенный контроль, идут по ним. В соединенных Штатах вы предъявляете заполненную декларацию, на которую ставится печать, и которая сдается при выходе из таможенной зоны.

При ввозе пошлиной облагаются табачные, винно-водочные изделия и парфюмерия, если их количество превышает разрешенную к ввозу норму. В разных странах норма ввоза различная. Ввоз и вывоз национальной и иностранной валюты в США не ограничен, однако ввоз в страну золота и золотых монет должен быть зафиксирован в декларации.

3. Read and translate

Rachel: Andy, it's my first time at the airport. Do you know which way to go?

Andy: Yes, we should go this way. At first, we should go through customs.

Rachel: What does this procedure involve?

Andy: It involves checking-in and passport control. During the check-in we should hand our luggage.

Rachel: All of our luggage?

Andy: No, just the heavy bags, which we are not allowed to take on board with us. Oh, here is the check-in stand. Let's stand in line.

Rachel: It seems that it's going to take ages to pass

Andy: It won't. Check-in lines usually move quickly. Five minutes and we are there

Rachel: Oh, it's already our turn

Check-in officer: Is this your luggage, ma'am?

Rachel: Yes.

Check-in officer: It's a bit overweight. You will have to pay an extra fee for that. Can I see your handbag?

Rachel: Here it is

Check-in officer: Remember not to carry any liquid and sharp objects with you. They are not allowed on board. Sir, do you have any hand luggage?

Andy: No, just my laptop. Here are our e-tickets and passports.

Check-in officer: Would you like an aisle seat or a window seat?

Andy: Window seat would be better.

Check-in officer: Here you are. The exact departure time and gate number is written on the tickets.

Rachel: Thank you!

Andy: And, now we should go through passport control. It's on the second floor.

Customs officer: May, I see your passport, ma'am?

Rachel: Yes, of course. Here it is.

Customs officer: What is the purpose of your visit?

Rachel: I'm a tourist. I'm on a beach vacation and I would also like to see the sights of Thailand

Customs officer: How long are you planning to stay there?

Rachel: Just for a couple of weeks.

Customs officer: Ok. Is this your first visit to Thailand?

Rachel: Yes, and my first time at the airport too.

Customs officer: Enjoy your trip then!

Rachel: Thanks!

Andy: How did it go?

Rachel: It was quick and easy. What's next?

Andy: We are halfway there. Now we just need to go through a special corridor, where the officers check our handbags. After this procedure we will be in the hall of departure, where we can have a snack or simply rest before the flight.

Rachel: That's great! I'd like to have a cup of hot tea and read my new book.

Путешествие на поезде **Traveling by train**

Железнодорожный транспорт в Великобритании чрезвычайно популярен, весьма развит и комфортабелен. Пассажирские перевозки осуществляет компания British Rail. В Великобритании вагоны обозначаются не цифрами, а буквами, а места цифрами и буквами. Билеты регулярно проверяются железнодорожными контролерами во время движения поезда, однако не спешите выбрасывать билет, пока вы не покинули сам вокзал. Билет у вас могут проверить уже по прибытии поезда, непосредственно на платформе.

Что касается США, то там перевозками пассажиров занимается общенациональная железнодорожная компания AMTRAC. В поездах дальнего следования имеются купе первого (club car) и второго класса (coach), а также одноместные купе со всеми удобствами (roumette), двухместные купе без удобств (chamber coach) и большие купе со всеми удобствами (sleeping compartments).

Путешествие автобусом Travelling by bus

Международные автобусы – это весьма популярное средство передвижения как в Великобритании и США, так и в других странах. В Великобритании имеется несколько крупных автобусных компаний, которые занимаются междугородними перевозками. На автобусных маршрутах существует несколько видов билетов. Если вы намериваетесь съездить к месту назначения и вернуться в течение одного дня, то покупайте Day Return (возвращение в тот же день). Если вы планируете вернуться в другой день, то

купите An open Day Return – обратный билет с открытой датой. Такой билет может действовать до полугода. Если вам придется ездить туда обратно с понедельника по четверг, то приобретите билет Midweek Return.

Путешествие самолетом Travelling by airplane

В Великобритании имеется два основных международных аэропорта – это лондонские «Хитроу» (Heathrow) и «Гэтвик» (Gatwick). Добраться в город и наоборот довольно просто. Помимо такси есть автобусы Airbus, которые доставляют пассажиров в центр города к любому отелю. От аэропорта (Хитроу) идет линия метро Picadilly Line.

В США самые популярные международные аэропорты это нью-йоркские имени Кеннеди (John Kennedy Airport) и «Ла Гардия» (La Guardia) и т.д. Из этих аэропортов до центра города или до отеля можно доехать специальными рейсовыми автобусами.

ГОРОДСКОЙ ТРАНСПОРТ CITY TRANSPORT

Красные двухэтажные автобусы - один из символов Лондона. Они провезут вас через весь город, пока вы будете любоваться достопримечательностями столицы Великобритании.

Большинство лондонских автобусов до сих пор красные, хотя некоторые уже выкрашены и в другие цвета. Автобусы, обслуживающие London Buses network можно отличить по такой табличке спереди машины: В Большом Лондоне расположено более 18 тысяч автобусных остановок, на которых вам не придется ждать автобуса более 5 минут. Автобусные остановки в Лондоне 2 типов - обязательные (compulsory) и по требованию (request). На обязательных остановках автобусы останавливаются всегда, если в них есть свободные места.

Для того чтобы автобус остановился на остановке по требованию, вы должны проголосовать: четко вытянуть руку, причем заранее, чтоб автобус мог спокойно остановиться. В ночное время все остановки работают в режиме "по требованию". Автобус может, не остановится, если в нем нет свободных мест.

Стоимость проезда одина для всех автобусов. Билет надо приобретать перед поездкой - либо проездной, либо разовый, т.к. кондукторов в автобусах нет и водители больше не продают билеты при посадке. Учтите, что автоматы по продаже билетов на автобусных остановках не дают сдачи.

В Лондоне работают 12 линий метро. Город разделен на 10 концентрических зон: центр - 1ая, окраины - бая, и 4 самые дальние зоны А, В, С и D. Стоимость поездки зависит от того, по каким зонам она проходит, поэтому билеты и смарт-карты надо предъявлять автоматам и на входе, и на выходе.

Как составную часть лондонского метро можно рассматривать линии легкой железной дороги DLR (Docklands Light Railway). Их линии указаны на схеме лондонского метро, на них действительны те же билеты и правила

тарификации поездок, что и в метро. Отличительная особенность DLR - в поездах нет машинистов, управляет ими компьютер.

Для того чтобы поймать такси в Лондоне, достаточно: как и у нас, просто поднять руку. Включенный желтый знак обозначает свободное такси. Стоимость поездки определяется по счетчику, включающей в себя плату за посадку. Стоимость поездки увеличивается, если едут несколько пассажиров, если багаж ставиться на переднее сиденье и за поездки в ночное время. Чаевые составляют до 10%, но обычно сумму просто округляют до фунта.

Job Interview

- Good morning, Miss Jones. So you applied for a job in our team. Am I right?
- Yes, I did. I sent my resume for a position of a restaurant manager.

- That`s good. I`d like to know a bit more about you. Probably you could tell us about your education first.
- Well, I left school at 17 and then for the next five years I studied at Kazan Federal University. I graduated the Department of economics with high honors and was qualified as a manager of enterprise. And after that I did a one-year computer course.
- Well. Your education sounds great, Miss Jones. And have you got any experience? Have you worked before?
- Certainly. First I worked as a manager at children`s clothes shop. I stayed there for four years and then I moved on to my present company. They offered me a job of a manager in a big cafe.
- That`s very interesting. Why aren`t you happy with your present job, Miss Jones? Why are you going to leave them?
- Well. The salary isn`t so bad, I must admit. But the work schedule isn`t convenient for me. And I often do a lot of overtime there. Besides you have an excellent reputation and I hope to have more opportunity and growth potential in your company.
- I see. Do you mind business trips? And are you fluent in Italian or German?
- Oh, foreign languages are my favorites. We did Italian and German at the University and I use them when I travel.
- Very good. Can you tell me about your good points then?
- Well... I start my work on time. I learn rather quickly. I am friendly and I am able to work under pressure in a busy company.
- OK. That`s enough I think. Well, Miss Jones. Thank you very much. I am pleased to talk to you and we shall inform you about the result of our interview in a few days. Good-bye.

Диалог "Переговоры о зарплате" (Salary negotiation)

Salary negotiation – Обсуждение зарплаты

- Good morning, Miss Swan. I am here to inquire about my request. Probably you know that I applied for a salary increase last month.
- Yes, Mr. Jackson. I`ve seen your request and forwarded it to our Human Resources manager.
- I hope you will consider the matter. I have been here long enough and my last 2 annual performance reviews were perfect, so I suppose my salary no longer reflects my contribution to the company development. And I haven`t had a salary hike for 2 years.
- I am aware of that, but the salary issues are handled entirely by Human Resources Department.
- I must admit it`s really disappointing. I am sure it`s high time to ask for a raise.
- The manager responded that it`s not our policy to increase salary by 30%. We cannot provide you such a hike.
- I see. Can I expect a 25% increase on my base then?

- Well, I wish you could. I will talk to the manager again about it but unfortunately 10% is a standard in our company. We cannot pay you more than your colleagues, Mr. Jackson.

- Thank you, Miss Swan. I really want to keep working for the company but I should also be able to afford it. And if I don't get any positive responses from my boss there is probably some way that you can look at my bonus system? Some non-financial benefits like a longer vacation time or paid education, for instance?

Discussing a New Contract

Pavlov: Let's go into the main question of our today's discussion. I expect you want to discuss our new contract.

Green: That's right. Have you seen our latest price-list?

Pavlov: Yes, we have. There is only one thing in it our parties can't agree to. That is the 5% increase in the price.

Green: Well, you must try to see the price from our point of view. Over the past three years metal prices have gone up. Besides because of the new labour contract, we had to increase wages. Therefore we had to increase the price of our machine-tools.

Pavlov: Yes, we have taken this into account and yet your prices seem to be high. We have been in business with your company for a long time and we hoped you would offer us better terms.

Green: I suppose if you could accept consignment (deliveries) by installments in the current year we would reduce the price by 2%.

Pavlov: That is fine, thank you very much.

Green: Are you happy with the new terms and conditions of our future contract?

Pavlov: Yes, quite.

Green: Then I think we can start drawing up our contract

Job Interview

Employer: Good morning! How are you?

Candidate: Fine, thank you very much.

Employer: We made this appointment to speak about your personality traits and your professional skills. Please, tell us about yourself.

Candidate: I'm a very friendly person. Love to people helps me at solving different problems. I am responsible and diligent. I'm really good at working with personal computers and I'm very interested in programming (software engineering). When I was a university undergraduate I was twice awarded the second prize in the database programming competition.

Employer: Can you explain us, why should our company hire you?

Candidate: I can work very well with other people, because I'm a real team player. My qualification and professional skills help me to get any job done.

Employer: You mean you have never had a confrontation with your colleagues at your last place of work?

Candidate: No I haven't. I always resolved difficult problems without confrontation. I'm a very hard worker.

Employer: Tell us about you main negative and positive traits.

Candidate: I am outgoing optimist. I like people and I enjoy being around them. What about my negative traits... Well, I like to discuss the newest gadgets with my friend Paul very much, because they are a very important part of my life. Often we are fully unmindful of time and depress our relatives.

Employer: Maybe this side of your character exercises significant influence on your private life but it cannot be bad for your professional abilities.

- Oh, really? When?

- One month ago. Is your address correct?
- Yes, sir. The point is that I've been away on business for a long time and didn't have a chance to renew the license.

- A taillight? I have just picked up my car from the mechanic!
- Go back then and have it fixed.
- Thank you, sir.
- OK. I'll let you go with a warning for an expired license. And here is your traffic ticket for speeding. Make sure you renew the license and fix the taillight as soon as possible. Please drive carefully.

Police Inspector: Good afternoon. Is this your car, young lady?

Lucie: Hi! Of course, it's mine, officer! **What's up?** Have I done anything wrong?

Police Inspector: Don't worry. It's only a **routine checking-up**. May I **have a look at** your **driving licence**, please?

Lucie: Oh! er... My licence! It's a problem! **Frankly speaking**, I've been looking for it for a couple of days. I'm afraid, I've lost it!

Police Inspector: How long have you been driving?

Lucie: How long? Just a moment! **Let me see...** It seems to me that I've been driving since my early childhood... And my father bought this beautiful little car as a present to my birthday two years ago. It was my eighteenth birthday, officer. **You see?** I've **been crazy about** my little car since then. I've never got **into a traffic accident**. I'm very careful! If something's happened to my little thing, I'm sure I'll die... Isn't it pretty, officer? My Daddy's so clever! It's so kind of him to present me such a wonderful car! It's so easy to drive! And Daddy's constantly buying me **marvellous** things! Yesterday he bought this watch and this smart dress! Look...

Police Inspector: Oh, **my sainted aunt!** It's unbelievable! Lady! I'm very glad to hear it! Please, stop talking and listen to me!

Mary: Mum, I'm not feeling well today.
Mum: What's the matter, dear?
Mary: I have a strong stomach ache and I feel nauseous.
Mum: That's not good. Let me check if you have a temperature.
Mary: I don't feel like it, but stomach ache is severe.
Mum: I'll call a doctor. He needs to see you.
Mary: How about the school?
Mum: I'll call Ms. Lang and tell her about your queasiness.
Doctor: Good day, Mrs. Right. What has happened?
Mum: Mary isn't feeling well. She feel nauseous and she has a strong stomachache.
Doctor: Does she have a fever?
Mum: No, she doesn't.
Doctor: Let's see. These symptoms tell me that she might have appendicitis. It is necessary to go to the hospital to make some tests.
Mum: Do whatever it needs doctor. We are ready to follow your instructions.

(At the hospital)

Nurse: Mrs. Right, I'm afraid we have bad news for you.
Mum: What's wrong with my daughter?
Nurse: She has the appendicitis attack. We need to keep her at the hospital for a while.
Mum: How long will it take?
Nurse: The doctors should carry out the surgery. After that, we have to keep watch over her for a week or so.
Mum: Surgery! How horrible! Is it dangerous?
Nurse: Don't worry, Mrs. Right. It's not dangerous at all. It involves minor surgical intervention. Mary won't feel any pain or discomfort.
Mum: Why does she have to stay for the whole week here?
Nurse: That's because after each even minor surgery, we keep an eye on general condition of the patient. We need to make sure that she doesn't have fever or any other complaints. We are here to provide first aid in case there are any problems.
Mum: I see. Thanks a lot. I'm sure you'll take a good care of my daughter.
Nurse: By the way, Mrs. Right, do you have health insurance?
Mum: Yes, of course. It covers all types of health problems for a year.

Nurse: You need to show it to the secretary. She will do all the necessary inquiries. Your health insurance company is obliged to pay all the expenses at the hospital.
Mum: Thanks for reminding me. I'll do it.

Work in pairs. Read and act out.

Jack: You look rather pale. Aren't you feeling well?

Glenn: Not very. I was sick most of the night. I didn't sleep very well.

Jack: What seems to be the matter? Is it the flu?

Glenn: No, I think it's something I ate. We ate at the new restaurant last night, and I must have eaten something that didn't agree with me.

Jack: Was it that new restaurant on Gyde Street?

Glenn: As a matter of fact, it was. Why do you ask?

Jack: Because, Jerry ate there last week and had the same kind of problem. He was sick the next day, too.

Glenn: That's interesting. Maybe the health authorities should investigate the place.

Jack: That's what I think. Two people with similar problems in such a short time can't just be coincidence!

- Jack: There are many interesting theatres in the capital of Great Britain. At London theatres the theatre-goer can always find different kinds of performances. The Covent Garden Theatre in London is famous for its ballet and opera performances with the best English ballet dancers, ballerinas and singers. The National Theatre shows the best dramas. There are some theatres in London which put on various modern plays and musicals pop-music. People can also enjoy various pop and folk songs concerts there.
- Tom: And what about the Royal Shakespeare Theatre?

- Tom: Have you seen many performances on the stage of the London Stratford Theatre?
- Jack: Sure. Last month I saw «Othello» there. It was a splendid performance. And the cast was perfect. There was so much feeling in the performance of the actors!
- Tom: And what can you say about Othello?
- Jack: The performance of the actor who played the part of Othello was very dramatic and convincing.
- Tom: Is it easy to book seats for this theatre?
- Jack: The house is usually full. You have to book seats in advance.

Dialogue: Theatres in Moscow - Диалог: Театры в Москве

Mark: I've heard you are a theatre-goer?

David: Yes, I am. I like theatre very much. What is on at Moscow theatres at present? I would like to go somewhere a day after tomorrow.

Mark: There are very many theatres in the capital of Russia. Our Bolshoy Theatre is well known all over the globe. You can see a ballet or hear an opera in this theatre.

David: Where is the Bolshoy Theatre situated?

Mark: It is in the centre of our city.

David: I would prefer to go to a drama theatre. What is your most popular drama theatre?

Mark: I think it is the Taganka Theatre. You can see modern and classical plays there. The Taganka Theatre is situated in the centre of our city.

David: I'm fond of drama but I don't speak Russian. I will not be able to understand the play.

Mark: You can go to the circus. We have two circuses in Moscow. They are really very good and known all over the Earth.

David: It is an excellent idea. I like circus and I am sure I will enjoy the performance. Where can I book seats?

Mark: There is always the biggest choice of tickets at the booking-office of the Circus. But I recommend you to book tickets immediately because the day after tomorrow the tickets can be sold out.

David: All right, I will do it now. Thank you for your advice.

Mark: Not at all. I hope you will enjoy the performance.

Jeremy: Good evening, Mr. Anderson.

Mr. Anderson: Good evening, Jeremy. This is a small world! How are you?

Jeremy: Indeed this is. I'm fine, thank you. And how are you?

Mr. Anderson: Life is going its usual way. What are you seeing tonight?

Jeremy: Actually, I'm here to see Shakespeare's famous play "Hamlet". How about you?

Mr. Anderson: What a coincidence! I have tickets for the same play. Are you with your family?

Jeremy: Just with my nephew. He is only 9 years old and I want to introduce the theatre life to him. Besides, I'd like him to learn about Shakespeare's plays. He'll need in the future anyway.

Mr. Anderson: You're right. Children should know about such authors and their work. I must say your nephew has a great uncle.

Jeremy: Thanks. Are you here on your own or with a family?

Mr. Anderson: I am with my wife. She adores theatre plays and we come here almost every week.

Jeremy: I see. That's great. So, you must have seen some other plays of this season and which is the best one in your opinion?

Mr. Anderson: You're right. We've seen many plays this season. I thought the best was Oscar Wilde's play "An ideal husband".

Jeremy: What's so special about this play?

Mr. Anderson: It is a moving comedy which revolves around blackmail and political corruption. The action is set in London. The play was rather amusing. I've heard that it is one of the most popularly produced plays of Oscar Wilde.

Jeremy: Sounds interesting. If I get a chance, I will definitely see this comedic stage play. Is there anything else worth seeing?

Mr. Anderson: I would recommend you to see "My fair lady". It is one of my wife's favourite plays. In fact, it is a musical based on Bernard Show's play "Pygmalion".

Jeremy: I wonder what this play is about?

Mr. Anderson: It is about the relationship between a poor and uneducated flower girl and her teacher, who is a professor of phonetics. He gives her speech lessons, so that she may pass a well-born lady.

Jeremy: It also sounds interesting. I think I should see it sometimes. Besides, I have always wanted to see something by Bernard Show.

Mr. Anderson: You won't regret. Apart from the intricate plot, the acting in this performance is brilliant.

Jeremy: I see. Thanks for advice. Now I know how to spend my weekend.

Mr. Anderson: You're welcome. I think we should hurry. The "Hamlet" starts. Where are your seats?

Jeremy: In the box, which is close to the stage.

Mr. Anderson: Lucky you! So, you don't have to use opera glasses.
